Message

I am pleased to know that the Federation of the Indian Export Organizations (FIEO) is leading a 46-member Indian delegation of food and agricultural products to Antwerp, Belgium on June 20, 2024.

The B2B interactions planned during the visit will provide a unique opportunity to network, exchange relevant information, and build lasting partnerships. The visit provides exciting prospects for business expansion and leveraging the complementarities that exist between the two economies.

Bilateral trade has been at the forefront of the relationship between India and the European Union. India's bilateral trade with the European Union stood at € 113.175 bn in 2023. More importantly, Belgium is one of the key trading hubs of the European Union, and Antwerp is one of the major ports of the Union. FIEO's event in Antwerp will, therefore, I am confident, contribute to new opportunities with this important region.

I wish success to all the companies participating in the FIEO Business delegation. Indian Embassy extends all support to the event.

(Saurabh Kumar)
